SHELLED CORN almost became ground corn as a result of a crash at the intersection of U.S. 45 and 6 last week but no one was seriously hurt. The truck pictured here driven by a Frankfort resident was carrying some 250 bushels of shelled corn when it collided with a transport truck of autos. The corn was scattered over the highway. District Speech Contest At LW Draws 14 Schools

Lincoln-Way High School will be host to the annual Illinois High School Association district speech contest in individual speech activities and dramatics this Saturday, Feb. 15.

David Schuelke, director of speech at Lincoln-Way has announced that fourteen surrounding high schools will send students to compete and qualify for sectional and state competition in various speech events.

The district contest is part of the program sponsored by the Illinois High School Association in an effort to provide adequate high school competition in athletics, music, art, and speech activities.

Professional critic - judges have been invited to judge in the areas of competition. These areas will be: drama, oratorical declamation, extemporaneous speaking, original oration, serious reading, comedy reading, after-dinner speaking,

verse reading, original monologue, radio speaking, and prose reading.

Judges at the Lincoln-Way contest will be: Dr. G. Bradford Barber, Illinois State University, Dr. Willard Welsh and Donald Polzin of Northern Illinois University, Dr. Rowland K. Chase, Knox college, and Professors King Brodrick, Arno Hill, and Joseph Wenzel of the University of Illinois, Urbana.

High schools competing in the contest are: Coal City, Homewood-Flossmoor, Joliet Catholic, Joliet Township, Lockport, Lockport West, Mazon, Bremen, Lincoln-Way, Rich Central, Carl Sandburg, Rich East, Tinley Park, and Wilmington.

The competition in Dramatics will be open to the public and eight one-act plays will be presented in the Lincoln-Way auditorium, beginning at 9 a.m., Saturday.

Drivers Escape Injury When 2 Trucks Collide

Two trucks collided at the intersection of U.S. 45 and 159th st. on Wednesday (Feb. 5) and while both vehicles were badly damaged the drivers escaped without serious injury.

One of the drivers was Arthur Marti, of Frankfort; the other was Robert A. Fairfield, of Brookport, Ill.

Marti was driving a truck owned by Harvey Faulkner. It was filled with shelled corn. The other vehicle was a transport rig carrying used cars.

The Faulkner truck was practically demolished and the tractor of the transport truck was badly damaged. The load of corn was strewn over the highway.

Marti was driving west on 159th st. The transport truck was traveling south on U.S. 45. It was owned by Donnie L. Weaver, of Metropolis, Ill.

When Marti stepped out of the wreck he noticed that his eye glasses were missing. Looking into the wrecked cab, the floor piled several inches deep with corn, he found them, the frames twisted but the lenses unbroken.

The grain truck was brought to the Cooper-Hoestert garage at Mokena.

life. After farming in Green Garden township for many years he moved into the village of Frankfort and became engaged in carpentry. He was a member of Local 174 of the Carpenters union.

Surviving are his wife, the former Clara Wolf, two daughters, Mrs. Marion Mark, Manhattan, and Mrs. Vivian Lind, Tinley Park; one sister, Mrs. Ethel Carlson, Frankfort; one brother, Leonard Rothenberg, Tinley Park, and six grandchildren.

He was preceded in death by his mother, Minnie, in 1959 and his father, Fred Schellhase, in 1960; a sister, Mrs. Gladys Warning, in 1946, and a brother, Henry, in 1911.

Funeral services with Hirsch in charge were conducted last Saturday afternoon from the Frankfort Methodist church with the Rev. James Parker officiating. Interment was in Skyline Memorial Park cemetery, Monee.

Mokena Will Hold Public Hearing On Zoning Measure

Mokena's new zoning ordinance will be up for public hearing the night of March 5. Because the village hall is too small to accommodate much more than the official family at a board meeting the zoning discussion will be held at Carpenter Street school.

It is not known, of course, whether any public interest will be displayed but in the event there is the village board would provide space for the hearing. The meeting will be held at 8 o'clock.

The ordinance in question would amend the present zoning measure adopted in September, 1940, and is acknowledged to be of little force or standing. After Mokena, with Frankfort, adopted a master plan for the area the village board took steps to amend the zoning ordinance in accordance with the plan.

It was discovered, however, that the proper procedure was not followed and the ordinance was invalid. All of the legal steps have not been followed, it was pointed out, and following the hearing March 5 the board will be in a position to take final action.

Copies of the proposed ordinance are on file in the office of the village clerk, Alvin Sorensen, at 19333 S. Wolf rd. and at the village hall.

The proposed ordinance locates residential, commercial and industrial areas, including those for multiple dwellings. A map showing zoning changes in the past year is to be published. Multiple dwellings is a subject now controversial in most villages.

Mokena has a subdivision ordinance and a building code fathered by a national organization devoted to interests of the smaller communities. Amendments are adopted by Mokena every year to keep the code up to date with the revisions recommended by the national organization.

"It would be difficult for us to keep up with changes in material and the new materials that require changes in building methods," Village Engineer Ralph Yunker explained, "but with the help we get we can keep abreast of the times."

At a special meeting of the village board most of the session was taken up with a discussion of water service and water meters. Village Attorney Ronald Galowich is to draw up an ordinance covering the maintenance of meters by the village, the penalties involved whenever a seal is broken and the replacement of meters. The board will study such an ordinance and then decide what course to follow. Yunker suggested the measure should include a provision setting up a contract with a firm or individual to make all the water tap-ons in the village. Proper-

ty owners making connections with the water mains would use such firm. Matteson has such a system, the village engineer said.

Meantime there is an ordinance that provides for sealing water meters and it was reported that Trustee Will Tuttle was to notify users to this effect and warning them that breaking such seals or tampering with meters can result in their being fined. The village is to make any meter repairs needed, it was said, and the property owners are not to do this. They will be billed for the work. The board is also debating whether the village should own all the water meters. If this step is decided on the village will have to pay property owners something for their meters already in service.

Trustee Larry Istel said he thought it would cost too much for the village to buy all the meters, that it would be cheaper to seal them.

The village has purchased a new squad car from Cooper-Hoestert Ford for \$1,560.

Mrs. William Bradley, Sr. called Trustee Hans Mueller, he reported, to protest closing St. Mary's road as requested. She said that closing the road would inconvenience them because their fuel is brought in over that road. At a previous

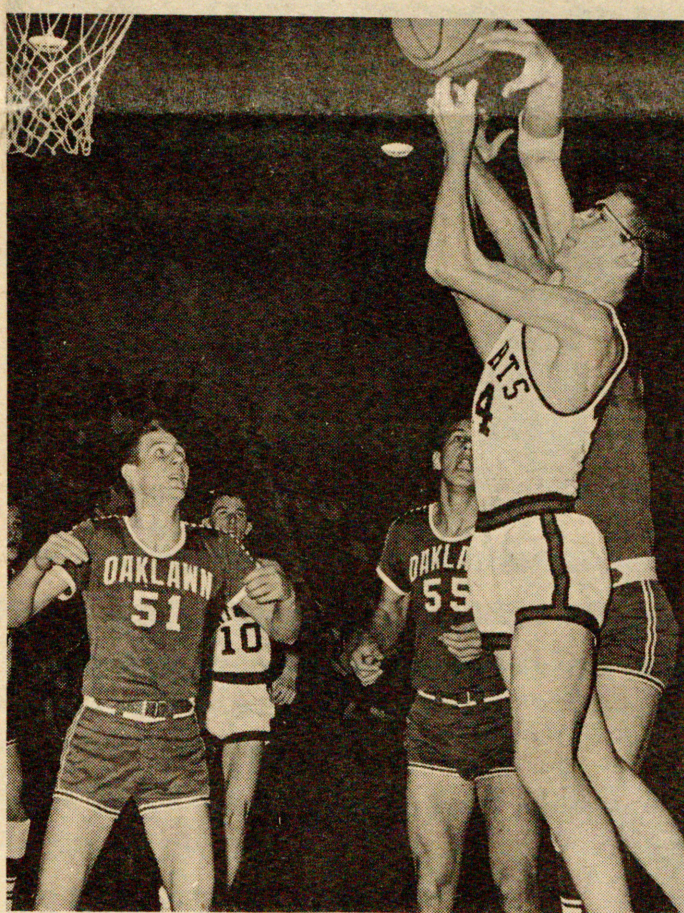

meeting Joseph Bernardin, representing St. Mary's parish asked permission to close the road with a fence that would protect the old church and cemetery. The village board is getting an opinion from the Illinois Municipal League relative to closing of the road.

The board voted to change its meeting nights from the first and third Tuesdays to the first and third Wednesdays.

Eleven new street lights are to be installed, one on the first pole north of La Porte rd. on Anna st.; one at Mokena and Hiawatha blvd., a three-way light on the corner, one light on the first pole south of Hiawatha on Mokena st.; one light on the first pole south of Denney ave. on Mokena st.; one light on the second pole east of Division st. on Third; one light at the end of Walsh lane; two lights on Parker and one on Revere st. These lights will add \$49.84 per month to the electric bill, Mueller estimated.

Motorists who fail to buy and display Village Vehicle tags by Feb. 15 will be subject to arrest, it was stated at the board meeting.

Curfew hours are changed to 11 p.m. Sunday thru Thursday and midnight Friday and Saturday nights for those under 18 years of age.

HOWARD GRIMES, of Lincoln-Way is shown netting two of the 21 points he tallied in the game against the Spartans of Oak Lawn last Friday night. Grimes had a good night but Lincoln-Way lost, 76 to 54. No. 10 is Batson. The two Oak Lawn players are Schurke, No. 51 and Fritz, No. 55. (Graphic Newspapers photo)

BY GREGG FANT

The Lincoln-Way Knights, who were able to score only three points in the first quarter last Friday night, were beaten by the Spartans from Oak Lawn by a final score of 76-54.

The Knights were never ahead in the ball game but trailed only 4-3 when they started losing ground and trailed by the end of the quarter, led by a score of 31 to 9 before the Knights came back near the end of the half to trail by only seventeen, 37-20. Then the Spartans started pulling away and finally won by a score of 76-54.

The Knights did have one bright spot as they had the leading scorer in the ball game in Howard Grimes who poured through 21 points for the Knights. This output was not enough, however, to give the Knights their third win and second conference victory of the season. Their record now stands at 2-17 for the season and 1-9 in the conference.

The Knights play a pair of games this week. On Friday night, the Knights host the

Eagles of Carl Sandburg in their eleventh conference game of the season. The following night, they travel to Reavis to play the Rams, the only team they have been able to beat in conference play this season.

NEW GARDEN CLUB officers at Mokena were chosen at the last meeting. From left to right they are: Mrs. Robert Schultz, president; Mrs. Harold Beebe, 1st. vice pres.; Mrs. Peter Ridderhoff, 2nd vice pres. and Mrs. Herbert Neef, sec.-treas.

Mrs. Robert Schultz To Head Mokena Garden Club

The annual business meeting of the Mokena Garden Club was held Tuesday, Feb. 4 at 8 p.m. in the home of Mrs. Harold Beebe. She was assisted by Mrs. Peter Ridderhoff and Mrs. Alan Vredenburg.

Elections were held and the new officers, Mrs. Robert Schultz, president; Mrs. Harold Beebe, 1st vice-president; Mrs. Peter Ridderhoff, 2nd vice-president and Mrs. Herbert Neef, secretary-treasurer, took office for the coming year.

Following the business meeting, slides and movies were shown of the 4th of July parade in Mokena and prize winning table settings and arrangements done by the club members for the past year. The members agreed it was a very entertaining, educational and fruitful year, thanks to the members guided by their out-going officers.

Anyone interested in joining the club may contact Mrs. Robert Schultz, 479-5533.

Anne Krog, 52, Teller At N. Lenox Bank, Dies

Anne M. Krog, nee Nimmemann, 52, of 121 W. 2nd Ave., New Lenox, died at Silver Cross hospital Sunday, Feb. 9 after a brief illness.

She was born in Chicago, March 6, 1911. She was educated in Lutheran Parochial schools of Chicago and attended the Luther Institute in Chicago.

When she married in 1933, she moved to New Lenox.

Her husband, the late Gerhardt (Fred) was cashier of the New Lenox State Bank from 1931 to 1952. After his death, Anne was employed at the bank as a teller, until the time of her death. She was school treasurer for many years of District 119, 122 and 125.

She was a member of Trinity church, the Chancel Guild, was

a Sunday school teacher and the first president of Trinity Woman's League. She was also active in many civic affairs in New Lenox.

Preceded in death by her husband Gerhardt (Fred); one sister, Louise Krueger and three brothers, William, Fred and Carl Nimmemann Jr.

Survived by one son, Richard C. of Los Angeles; one brother, Richard J. Nimmemann and one sister, Miss Erna Nimmemann, both of Chicago.

Funeral services were conducted from the Baskerville Chapel in New Lenox to Trinity Evangelical church Wednesday, Feb. 12. The Rev. Leonard Reinke officiated and interment was in Bethania Cemetery, Justice, Ill.

Lt. Col. Frank O. Grey Jr. (left), Illinois National Guard, tours the Fort Wolters heliport, the country's largest, with Col. Jules E. Conseth Jr., right, Fort Wolters commanding officer and commandant of the U.S. Army primary helicopter school. Col. Grey was a member of the first class to complete the National Guard officer rotary wing standardization course at the USAPHS. The colonel was at Fort Wolters Jan. 12-24. While here he learned to fly the army's OH-23D "Raven" helicopter. Col. Grey lives at 135 Linden Drive, Frankfort. He is a member of the Illinois National Guard's 330th Aviation Battalion at Chicago. "BILL" BARR
SPEAKS
ON
CAMPAIGN
ISSUES!

Qualifications of a Candidate

For the next few weeks, this column will be a regular feature in this newspaper. Its purpose is to discuss the issues confronting the voters when they go to the polls on April 14 to nominate a Republican Congressman. Bill Barr bases his candidacy for Congress on his qualifications and his positive stands on the issues confronting the voters.

What are Bill Barr's qualifications? A native of Joliet, Ill., Bill was educated in the Joliet Public School System. He attended the Universities of Illinois and Wisconsin. His education was interrupted by World War II. Bill enlisted in the U.S. Air Force and served until 1945.

In 1945, Bill began his career in government service as a rent examiner for the Office of Price Administration. In 1953 he was appointed by President Eisenhower to the post of Acting Director of Defense Rental Areas in the Office of Defense Mobilization. His assignment... terminate rent controls as expeditiously as possible.

The success that Bill enjoyed in this endeavor is reflected in the numerous awards that he earned, both from the government and from the private real estate industry. Bill Barr has always favored private enterprise over government ownership and control. This has been reflected throughout his career. After ending rent controls, Bill's agency was terminated. He then became Executive Director of the National Parking Association, the business association representing the multi-billion dollar off-street parking industry. In this capacity, Bill has visited more than 600 cities, studying downtown business districts and seeking ways and means to revitalize these vital commercial sites.

These tours have given Bill a tremendous insight into the economic problems confronting this nation—both in the 14th Congressional District and from coast to coast.

In the meantime, Bill Barr has remained very close to the specific problems of this District. He has been active in the operation of the Barr-Vavrus Construction Company, developers of residential, commercial and industrial property in Will County.

BARR-VAVRUS has been extremely successful in residential development. Bill is quick to point out that the company operates without utilizing any of the governmental financing plans such as FHA or Veterans Guarantees. The company has been built along the lines of free enterprise that Bill Barr believes is the basic principle of a sound economy.

Politically, Bill Barr is not a novice. His father, the late Senator Richard J. Barr, served in the Illinois Senate for 48 consecutive years, representing the

same two county district that Bill seeks to represent in the Congress of the United States. Politics has become a way of life to Bill Barr. Combine that with years of actual experience in Washington, testifying before Congressional committees on many occasions, and you have the ideal qualifications for a career Congressman.

Throughout his business career, Bill Barr has demonstrated a solid conservative political philosophy. His father was a lifelong member of the Republican Party and a capable public servant. Bill hopes to follow in those illustrious footsteps.

This combination of a business-political background, combined with conservative Republican philosophy, is the main reason that Bill Barr's campaign has picked up so much steam, and attracted so many loyal backers.

How can Bill Barr win the nomination? In the heavily Republican 14th Congressional District, nomination on the Republican ticket in April is tantamount to election in November. Bill faces a field of six other candidates. All from DuPage County.

Basically, Bill's campaign strategy is simple. He plans to out-work, out-walk and out-talk his opponents. Already, he has met and shaken hands with more than 25,000 voters in the District. He will continue to walk the streets of the District, serving coffee from his unique "Coffee Barr" and selling himself to the voters on the basis of his "say something" political philosophy.

BILL BARR can win and will win because his is the most representative program, reflecting the conservative thoughts of the majority of the people in the 14th Congressional District.

Each of the planks on Bill's election platform will be discussed at great length in future articles of this series. Briefly, they include a program of fiscal responsibility in government that will achieve a permanent tax reduction, both corporate and personal. Such a permanent tax reduction will stimulate our nation's economy and eliminate the rising trends of inflation and unemployment.

However, such a tax reduction can not be allowed unless it is accompanied by a sound, fiscally responsible program of budget slashing in Washington. The areas where Bill Barr believes this budget cutting can be accomplished include federal urban renewal, urban redevelopment, public transportation aid, accelerated public works and foreign aid.

Bill Barr offers the best qualifications to the voters of the 14th Congressional District. He sincerely seeks their support.

LW Band Boosters Plan Party For Uniform Fund

Telephone: 279-3521

The Band Boosters of Lincoln-Way high school will sponsor a card and bunco party Saturday, Feb. 29 at 8 p.m. in the all purpose room of the school.

Various card games will be played with a prize to be awarded at each table. Mrs. Wendell Hamilton, general chairman, says, "form a group and come join the fun." For non-card players, tables for bunco will be reserved.

As an added attraction, other prizes will be given and free refreshments will be served. The price of the tickets are \$1 per person, for adults and students.

Proceeds from the event will be used toward needed band uniforms and equipment.

The Women's Guild of St. John's United Church of Christ

Lincolnwood

DELORES ANDERSON

Telephone: 485-3651

The Busy Hour 4-H club will meet for its monthly meeting, Thursday night Feb. 20 at the home of Miss Susan Berringer, with Mrs. Hummelford, leader in charge.

There will be a Junior Council meeting of Tri-Kenya area scouts on Thursday Feb. 20 at 4 p.m. in St. John's Church at Mokena. Two girls from each scout troop in the area will attend this meeting, and give their ideas of what they would like to do at day camp this summer, and things they would not like to do.

A meeting to form an Explorer Boy Scout troop in Lincolnwood was held Friday night at Schmulh school, with men from the Scout Council in Joliet, attending.

Cadet level Girl Scouts of this area serve as baby sitters at the regular PTA meetings, held each month at the Oakview school kindergarten room. Parents can attend the meeting, while their children are well taken care of by these girls.

will have a bakery sale Saturday, Feb. 15 at Roy Richardson's store, starting at 1 p.m.

Mrs. Ardele Spless and Mrs. Marion Nordsell are attending Welcome Wagon training school for two weeks at the Hamilton hotel, Chicago.

The Mokena grade school Band Boosters will meet Monday, Feb. 17 at 7:45 p.m. at the Carpenter Street school.

Joost Sluis, fire control technician third class, USN, son of Mr. and Mrs. William Sluis of 11505 W. 192nd st. is serving aboard the guided missile cruiser USS Albany, operating out of Norfolk, Va.

Joost recently visited several Mediterranean ports including Barcelona, Spain; Naples, Italy and Palma de Mallorca, Spain.

The Women's Guild of St. John's United Church of Christ will meet Thursday, Jan. 20 with dessert-coffee at 1:30 p.m.

Devotions by Mrs. Roy Kropp, topic "No Man Is An Island." Serving on the committee are Mrs. Bert Spless, Mrs. Alice Thomas, Mrs. Erna Schoeneck, Mrs. Edward Boehm, Mrs. Rudolph Englehardt, Mrs. Emma Cappel and Mrs. William Riemann.

The regular meeting of the Lincoln-Way Band Boosters will be held Wednesday, Feb. 26 at 8 p.m. in the school.

Returns on the decal drive, now in progress, are slow according to ways and means chairman, Conrad Mark. As the drive is the main source of revenue for the Boosters, those who have overlooked and haven't as yet sent in their contribution, are asked to do so as soon as possible.

The February meeting of the Mokena Book Club will be held Friday, Feb. 14 at the home of Mrs. William Niessen with Mrs. Henry McNally as hostess.

The program will be presented by Mrs. Norman Faletto who will review a current best seller.

MR. & MRS. BYRON J. HOMANN
(Behnke Photo)

Orland Girl Married In St. John's Church, Mokena

At a 2 o'clock double-ring ceremony the afternoon of Sunday, Jan. 19 in St. John's United Church of Christ, Mokena, Miss Janet Mildred Maue became the bride of Byron John Homann.

Rev. Theodore C. Wimmeler officiated at the wedding service uniting the daughter of Mr. and Mrs. Donald M. Maue, 11390 West 158th st., Orland Park and the son of Mr. and Mrs. Louis Homann, Loda, Ill.

Guest soloist, Miss Juanita Stutz was accompanied at the organ by Miss June Swanberg. Escorted by her father to an altar enhanced by four potted palms, two vases of cut flowers and candles at the altar, the bride wore an Alonson lace trimmed gown of de-lustered satin with bell shaped skirt, a full train and long pointed sleeves. Her pillbox headdress of matching satin was decorated on top with pearls and sequins in a design on lace. Her bridal bouquet consisted of a

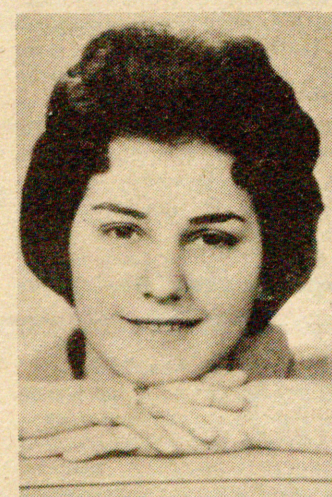

white orchid on her prayer book with stephanotis.

Miss Wilma Maue attended her sister as maid of honor. She wore a floor length gown of emerald green velveteen and her headpiece was a emerald green rose with veil. Her accessories consisted of a white fur muff adorned with red roses. Charles Riemann of Kansas City, Mo. attended as best man, and the ushers were Elmer Weber, brother-in-law of the groom and Duane Maue, brother of the bride.

A reception followed immediately in the church parlors. Mrs. Maue, mother of the bride, greeted guests wearing a beige dress and pink sweetheart roses. The bridegroom's mother, Mrs. Homann, wore a powder blue dress and pink sweetheart roses.

The newlyweds will make their home in Peoria, Ill.

The bride is a registered nurse and is planning to work at Peoria, Ill. Homann is employed as a tool maker apprentice by Caterpillar in Peoria.

met Saturday, Feb. 1 at the home of Mrs. Arthur Holm for their citizenship meeting.

Judy Termunde, citizenship chairman, conducted the club activity. Through the activity, the members became better informed about themselves, their families, their schools, their local state and federal government. They also learned how to improve relationship with their club, school and community. The members were divided into four groups and then gave reports.

Reports given were as follows: Citizenship in the Church, Linda Shepard, Darlene Holm, Susan Jarski and Susan Hentsch; Citizenship in the School, Susan Schwab, Laurie Neils, and Janet Shepard; Citizenship in the Community, Mary Helen Riley, Susan Neils, and Diane Holm; Citizenship in the Club, Cheryl Stoner, Cindy Holm, and Wendy Cooper.

After the citizenship activity, Linda Shepard reported on the life of Stephen Foster. Members sang some of his songs, accompanied by Linda Shepard at the organ.

Talks and demonstrations were given by, Mary Helen Riley on Choosing Your Material; Judy Termunde, Pattern Selection; Susan Schwab, gave a demonstration on Straightening and Shrinking Material.

Janet Shepard reported on the 4-H Rally held Jan. 27. The meeting closed with the citizenship pledge, and refreshments were served by Cindy Holm.

The Handicraft meeting will be held Feb. 8 at the home of Mrs. Holm. The next business meeting will be held March 7, also at the Holm home.

Girl Scout Troop 230 held their weekly meeting Tuesday at

Sandburg To Offer Eight New Courses For 1964-65

Among the courses students at Carl Sandburg are now registering for are eight new classes scheduled for next fall. The registration, which began on Feb. 3, is not expected to be completed before March 20, James Adcock, director of guidance, said.

New courses include electronics, journalism, introduction to modern math, record keeping, business principles, advanced girls' choir, and the history of music.

Adcock urged both students and parents to take part in the registration. He said students should "define their goals and register in courses for which they are especially qualified and in which they have an interest."

Pre-registration at Sandburg is carried out in homerooms. Class counselors hold group sessions with students to explain the registration code sheet and answer questions. Students then indicate the courses they want to take.

After checking these forms, the counselors interview individual students who have conflicts or questions. The registration sheet is then sent home and parents sign it.

All incoming freshmen are

tested prior to registration, Adcock said. This year students are being tested in the grade school, rather than at Carl Sandburg. In the past they have come to Sandburg for the battery of tests.

The new process will result in "a more accurate assessment of students," Adcock said. "Students do better in familiar surroundings and when they are supervised by people they know. Testing at the grade schools will help reduce the excitement and strain of the tests," he said.

Incoming freshmen are placed in English, science, and math classes according to test results, Adcock explained.

Adcock also said that a brochure from the guidance department would be sent to each grade school parent "well before registration in March." The booklet will explain the freshman curriculum, both elective and required courses, Adcock said it was designed to help parents and students plan a tentative program of study.

He also pointed out that parents are welcome to attend testing sessions at the various grade schools.

Orland Park Grants Liquor Licenses To 5

Liquor licenses for Orland Park bars were issued this week by village authorities.

Two were new, one going to W.J. Henley, for a cocktail lounge at the Farm House Inn on U.S. 45 and one to Earl Tracy, who bought the tavern formerly operated by Jerry Eckert on Beacon st.

The other licenses were renewals, one to the American Legion, one to the Village Inn and one to Orland Park Lounge, Inc. License fees are up this year, from \$400 to \$750 for regular bars. A club license such as issued to the Legion post is \$25.

New Lenox Board Has A Talkative Session

The New Lenox village board had a talkative session last Friday night. The mayor, Stanley Gilmore and two trustees, Don Anderson and Robert Randolph were unable to attend but there was a quorum. Trustee Evans Drotts presided.

In the course of the meeting the council talked about the possible annexation of several tracts, including the VFW property north of the Rock Island tracks where the partially completed bowling alley stands.

They also talked about the possible purchase of -- a) A riding power mower for the sewage disposal site, or b) a tractor capable of using a rotary mower attachment, as well as a sickle-bar and a snow blade, thus making a tool that could be used thruout the village. The tractor would cost around \$1,500 and the village only has \$650 appropriated for a

L-W Savings And Loan Assets Pass \$3-Million

Lincoln-Way Savings & Loan of New Lenox has passed the \$3 - million mark in assets in only two years of operation, it was announced by the president and board chairman Lloyd G. Berlin.

Executive vice president, Don Nepote, related that Lincoln-Way has grown over \$1,000,000 in savings last year and continues to show great gains. He expressed his appreciation for the confidence that the people of the Lincoln-Way area have placed in the board of directors, officers and staff of Lincoln-Way Savings. He also pointed

out the strong demand for home loans in the area, proving the predicted growth expressed by many civic leaders that is coming to the Lincoln-Way and Joliet area.

Lincoln - Way Savings is a member of the Federal Home Loan Bank System. Its savings accounts are insured up to \$10,000 by the Federal Savings & Loan Insurance Corporation, an agency of the United States government. Its board of directors are men active in their community and civic affairs. Besides Berlin and Nepote they are Merrill Cooper, C.L. Klasing, Jr., Dr. Claude W. Otto, Donald F. Wennlund, Stuart Kroesch, Earl R. Moss, and John Oster.

New Wing At Willow Crest Opens Monday

The classroom wing addition to Willow Crest school at Mokena is nearing the completion state. In fact two of the classrooms will be ready for occupancy next Monday.

The fifth grade class at Carpenter Street school taught by Mrs. McGivern will be transferred to Willow Crest for the remainder of the year with the opening of the new wing. A new third grade class also will be housed in the new area.

The transfer from Carpenter Street school will aid in easing some of the overcrowdings at that building. Increased enrollments in the third grade has made it necessary to have a third section of third graders. Each of the two third grade classes now have 41 pupils each. The state recommends 30 or less pupils per class to enable teachers to give more attention to individuals. The new third grade will reduce the size of each of the three classes to 27, it was pointed out by Supt. James Ennis.

Mrs. Janice Johns, 24 Hillgate road, Mokena, has been hired to teach a third grade. Her teacher training was at Illinois State university at Normal and she has had three years of teaching experience at Flora, Ill. Her husband teaches in the music department at Lincoln-Way high school.

When first planned it was thought that if the new addition was completed by September, 1964, it would be time enough. But an unexpected increase in enrollment altered the situation and the board is glad to have a portion of the building ready for use now. It is expected the multipurpose and administrative areas will be completed in the early spring and formal dedication of the addition is planned for next September. An open winter has enabled the builders to proceed rapidly with the work.

New Gym At L-W To Also Serve As Rink

Completion of the new gymnasium at Lincoln-Way high school has provided students an additional form of recreation which may also be shared by the public--roller skating.

In constructing the floor of the new girls' gym it was designed and built with skating in mind. The flooring is laid so as to withstand the strains and stresses of skating and a special, hard finish was applied.

Using funds raised by various student activities the school has purchased approximately 160 pairs of skates, built for use on wooden floors.

Roller skating is now a part of the physical education program and no charge is made for use of the skates when used in P. E. classes.

No charge is made for use of the gym as a rink when utilized by school organizations, for outside organizations, however, there is a charge of \$25 for the use of the gym and the group using it must guarantee at least 30 skate rentals, of \$15.

Persons who bring their own skates must have them approved but they must still pay a 50-cent rental fee.

These rental fees for skates, Supt. A. Hunter Chapman explained, have been imposed so that over a period of time the money used to purchase them from the various student activity funds will be replaced.

Any club or group renting the skating facilities should inform their members they are not to arrive at the school more than 15 minutes prior to skating time and must be out of the building

15 minutes after the end of the skating time, is one of the rules. Rules and actual floor skating policies are to read to renters before skating.

Rental of the skating rink, it was emphasized, will not interfere with school activities, club meetings, athletic events or athletic practice.

Horse play, fighting, foul language, damage to rink or rest rooms and smoking on school property, or any other actions on the part of skaters that do not meet with Lincoln-Way standards will bring dismissal from the rink, it was stated.

Also forbidden is chewing gum and walking out on the gym floor in street shoes.

Those interested in rink rental may apply at the school office.

Book Harrison Band At Orland For March 1

The "big band" sound is coming to Orland Park Sunday, March 1, it was announced this week.

Gregg Harrison's orchestra, that plays music for listening as well as dancing, will be at the Orland Park grade school gymnasium.

Chairs will be set for those who just want to listen but there will be ample space for dancing, it was stated. Tickets will be \$1 for adults and 50 cents for children. Refreshments are to be sold at intermission.

THE FASHION SHOW sponsored by the Altar and Rosary society of St. Mary's parish, Mokena, was a complete sellout. The affair was held the evening of Feb. 5 in Prestwick Country club. Mrs. Robert Olson (left) chairman of arrangements, was handing over programs to Mrs. Arthur Leamy (center) and Mrs. Mary Halfacre for distribution among the guests when this picture was taken. Incidentally the models in the show were chosen from all parts of the parish. They were: Mrs. Gerald LeBeau and Mrs. John Molter from Arby Hills; Mrs. Robert Dean, Mrs. Michael McAndrew and Mrs. Lyle Koester from Frankfort; Mrs. Lloyd Sprinkle, Mrs. Robert Burdett and Mrs. William Roach from Arbury Hills; Mrs. Norman Falet, Mrs. Charles Davies and Mrs. Vernon Opp from Brightwood; Mrs. Richard Hutter and Mrs. William Shanahan from New Lenox; Mrs. Louis Stanger, Mrs. William Weber, Jr., Mrs. Alvin Sondergaard, Mrs. Joseph Petmuch, Mrs. Paul Looschen, Mrs. Raymond Petric, Mrs. Edward Schuch, Mrs. George Rinke Sr., Mrs. Albert Kuchenbecker and Mrs. Emmett Mansfield from Mokena.

Proceeds will go toward the building fund of St. Mary's church.

(Graphic Newspapers Photo)

THOSE LAST TOUCHES are so important before one goes to model fashions and these women being models didn't pass up the opportunity. The mirror makes one first think of twins. The picture was taken in a dressing room at Prestwick Country club just prior to the St. Mary parish fashion show. Left to right are Mrs. Mildred Funk, who is on the staff of a Joliet store furnishing some of the accessories, Mrs. Richard Hutter, New Lenox (seated); Mrs. Edward Schuch, Mokena, who is seen twice, and Mrs. Charles Davies, Brightwood.

(Graphic Newspapers Photo)

Hall Striving For Circuit Clerk

James D. Hall, of the Lily Cache, Plainfield township and committeeman of the sixth precinct there, was in Mokena last week in furtherance of his candidacy for the Republican nomination for clerk of the circuit court.

He is opposed in the primary by Louis Bottino, of Lockport, a former legislator and now assistant superintendent of the Joliet grade school system.

Hall has been quite active in Republican activities in Will county altho this is the first time he has sought elective office other than as precinct committeeman. He is secretary of the Plainfield township Republican committeeman's organization.

He re-activated and served as president of the Will County Young Republican organization for two terms. It was during his terms that the annual awards banquet was instituted. He now serves on the board of directors for the Young Republicans in charge of club extensions. He also is a member of the board of governors of the Illinois State Young Republicans and was a delegate to the national convention of the organization in 1961. He is currently helping to establish Republican workshops in the county.

"I plan to conduct an aggressive campaign for this office," Hall stated, "and it will be my purpose to add strength to the party ticket in the fall election. I believe this can be done effectively by thoro campaigning and bringing the issues directly to as many voters as possible."

Professionally, Hall is a design engineer for Caterpillar Tractor Co. at Joliet. A member of Caterpillar management group, he has a patent pending on one of his designs.

After graduating from Pekin high school he attended Bradley university where he majored in mechanical engineering.

Hall is a trustee of Sunny Hill sanatorium and has been active in community affairs and projects and is a past co-chairman of the practical politics course of the Joliet Chamber of Commerce. His wife is from Braidwood.

MRS. JOSEPH PETNUCH, Mokena, one of the models in the St. Mary parish fashion show at Prestwick Country club is showing a black chiffon cocktail dress.

Will Elect 3 To Arbury School Board In April

There will be three vacancies on the Summit Hill Board of Education this April. Two of the openings will be created because the terms of President George Peterson and member, Robert Dickerson, will expire.

Mr. Peterson has served since his election in 1962. The school district changed from a three-man to a seven-man board at that time, and during the re-organization, Mr. Peterson drew a 2-year term. He has indicated he will run for reelection.

Mr. Dickerson was elected in 1963 to serve out the one-year remaining on Sam LaRocca's term when he resigned. Mr. Dickerson has not indicated as to whether he will seek reelection.

The third vacancy has been created by the resignation of Walter Plumly. Mr. Plumly has served two years on the board so that one year remains of his term. He is being transferred out of state. Hyman F. Kronick has been appointed by the board to serve from now until April 11th, the day of the election.

Anyone interested in running for election to the board of education may secure a petition from the superintendent of the district, H. James Wrath, at the Arbury Hills school office.

Petitions for nominating candidates for election must be filed at the school office on and after Wednesday, Feb. 26, and until March 20.

Arrest Three After Fight

Three Carl Sandburg high school pupils are facing court hearing on charges of aggravated battery and several others, younger, may see family court as a result of ganging up on a youth from Worth who came to the school on Tuesday of last week, allegedly prepared for a fight.

On Wednesday approximately 80 youths, many of whom claimed to be pupils at Eisenhower high school in Blue Island approached the Sandburg high school parking lot but kept traveling south on U.S. 45 when they saw Police Officer Robert Hubert, of the Orland Park police department, near the entrance.

Hubert followed the motorcade to south of 143rd st. where one of the drivers, Charles R. Strabel, 17, of 6843 W. 112th place, Worth, pulled out and started passing the row of cars on a hill, forcing a northbound car off the road and then crowding two south bound cars off the pavement. Hubert arrested him and shunted the other cars into a restaurant and gas station parking lot. He radioed to Police Commissioner Frank Guetter for assistance and the commissioner was at the scene within a minute. The two officers then proceeded to shepherd the 80-odd youths out on the highway and escorted them out of the area.

Strabel is charged with reck-

less driving and improper lane usage and the next night he was rearrested when he came driving into the Sandburg parking lot thru the exit. His case comes up Feb. 20.

Notice was served on these students by Orland Park police that they would not tolerate any visits in force and jail was a certainty for those guilty of such maneuvers.

The three arrested at the high school are all Orland Park youths, Gary Neal, 17, of 13531 Elm st., Tim Pressler, 17, 10121 W. 151st street and Frank Franc, 17, of 14519 Greenland ave.

A Ralph Foley, 18, of Worth, said to have been a former enrollee at Eisenhower high, came to Sandburg Feb. 4. According to statements taken by police and school authorities Foley was looking for a fight with Neal as a result of an altercation at Palos Park several days previously. The two went into one of the school washrooms, accompanied by some pals of Neal. Foley was besting Neal when he was set on by several others, including Pressler and Franc. The report states that Foley lost several teeth and was cut about the face and head. His mother, Mrs. Emily Foley obtained the warrants for the Orland trio. Those charged with assaulting Foley are scheduled to appear for court hearing March 13.

Frankfort Bodies Would Control Apt. Locations

None of the official bodies of the village of Frankfort -- village board, zoning board or plan commission, are opposed to the building of multiple dwellings in that community but they are concerned with the proper placing of such structures.

That was the gist of the opinions expressed at the meeting of the three bodies at the Frankfort village board Monday night.

And to help them arrive at a conclusion they have called upon the Education - Tech group of planners that prepared the joint master plan for Frankfort and Mokena, to come to Frankfort for a conference.

Whether the planners will be asked to revise the master plan to bring it up to date was not determined at the meeting Monday. Officials, however, would like to get an opinion from the

planners on the locating of apartment buildings.

At a meeting of the village board last week property owners in Connecticut Hills appeared with their attorney, August Santoro, to oppose plans of A.T. McIntosh Co. for the sale of land along U.S. 30 to a Mokena contracting firm for the erection there of apartment houses. Some of these people were present at the meeting this Monday. Some of them spoke in opposition to building apartments there, saying they would block their view of the highway.

A poll of the zoning board, the plan commission and the village board was taken to ascertain their feelings on multiple dwellings. None of them were opposed but they did want to make sure that they were properly spaced and located.

Natl. Merit Scholarship Test Is March 14 At CSHS

Saturday, March 14, is the date of the National Merit Scholarship qualifying test at Carl Sandburg, according to James Adcock, director of guidance. "We encourage any junior who is a prospective college student to take this test," Adcock said.

According to Adcock, the test will give an indication of how well a student has done to present and his prospects for scholarships and college admission. The test covers English, mathematics, social studies, natural sciences, and word usage.

Registration for the test will

be during the first week in March, Adcock said, and the cost to the students is \$1.

Scores from the test will be sent to the school, where their primary use will be to measure the potential of students for academic attainment in college. In addition, the counselors will use them as an evaluation of courses taught at Sandburg.

Late in April the names of Merit Scholars will be announced. Each will receive a National Merit Scholarship, based on his financial need. Semifinalists are also considered by independent scholarship agencies.

LWW State Officer Will Speak At Palos

"The League in action" is the title of a talk to be given by Mrs. Raymond Robertson, vice-president of the League of Women Voters of Illinois, at a coffee sponsored by the Palos-Orland League at 9:30 a.m. Tuesday Feb. 18th at the Plush Horse, 123rd and 86th Ave., Palos Park.

Mrs. Robertson testified in Springfield last session in support of the legislation that was later passed, enabling a newcomer to Illinois to be able to vote for president and vice-president if he has lived 60 days in his election district instead of the former one-year residency requirement, providing he was qualified to vote in the state from which he came.

All members and friends are invited to hear Mrs. Robertson and to discuss with her other state governmental problems on which the League is prepared to take a stand, concerning election laws and constitutional convention.

GARY BETTENHAUSEN

Tinley Park Racing Ace Featured At Auto Show

The United States Automobile Club's 1963 "Rookie of the Year" newcomer stock car driver, Gary C. Bettenhausen, 22-year-old son of racing's late, great Tony Bettenhausen, will make his first public appearance outside of competition as a feature personality at the Dodge exhibit in the 56th annual Chicago Show, McCormick Place, Feb. 8-16.

Popular young Bettenhausen, native of Tinley Park, will be at the Auto Show to talk with visitors about racing and high-performance features of Dodge cars.

Just last April Gary entered his first big race, the USAC-sponsored Yankee 300 at Indianapolis Raceway Park driving against seasoned veterans Roger Ward, Fireball Roberts, A.J. Foyt, Parnelli Jones, and others. Despite a green pit crew, a blown tire, and fuel-line troubles, he drove his car, bearing the familiar family racing number 99, across the finish line for 14th position in a crowded field.

After some 15 races, Gary's closest visit to the winner's circle is a second-place finish in a 100-miler on the dirt at Indianapolis State Fairgrounds. There he started in 19th position and closed 10 seconds behind winner A.J. Foyt. Having won only \$1,000 prize money in his short competitive span, the ambitious youngster is ever mindful of his father's warning remark, "Race driving is a really tough way to make a nearly always meager living, so any decision to be a driver has to start with a burning desire."

He works as an auto mechanic at the R. & H. Service Station in Palos Heights, a Chi-

cago suburb, and devotes his spare time to racing and performance preparations.

Eager to test his own skills and vehicle readiness, young Bettenhausen continually looks for improvements. Before his first big race, he designed crossover breathing tubes in front of the valve covers of his car to help cool the engine and to prevent oil blowback through the valve covers. These successful modifications were copied by other drivers.

Racing fans, who followed the career of Gary's father, are looking forward to the entry one of these days of that famous name and familiar number 99 at the "big one" (meaning the Indianapolis 500 Classic, which eluded the senior Bettenhausen 14 times).

Concurrently, Gary's life story and his first magazine cover will appear in the advance March edition of U.S. Auto Sports.

Hints For Homeowners

BY: JAMES FIZZELL, ASSOC. FARM ADVISER COOK COUNTY

Valentine's Day this week gives us the feeling that spring is not far off. And what goes better with spring or Valentine's Day than flowers.

Flowers have a language all their own and according to the offices of the Illinois Allied Florists you can say just about what you want to say by the flowers you give on Valentine's Day.

The warm greeting of red roses, comes right to the point with "I Love You". If the roses are white, "You're Heavenly" or "You're Innocent". Pink roses promise, "I'll Never Forget You"; yellow roses, "Try To Care" or "I'm Jealous". Sweetheart roses, the miniature rosebuds clustered on a single stem, vow that "I'll remember always".

Red carnations mean no words: "I'm carrying the torch for you". Fragrant white carnations breathe, "You're sweet and lovely". Pink carnations promise again, "I'll never forget you". Newest in the carnation and camellia spectrum are the striped or variegated colors which at St. Valentine's Day have a very definite way of saying, "Sorry, I can't be with

you" or "Wish I could be with you". Yellow carnations plead eloquently, "You have disappointed me".

"To a beautiful lady", is exclusively the voice of the orchid, whether expressed by the large lavender kind that belongs to the mature woman or the dainty orchid spray for a young girl. Sophisticated camellias, the red variety, are warm reminders that "You're

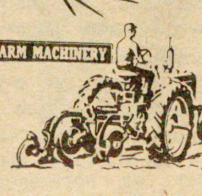

a flame in my heart". If the camellias are white, "You're adorable", or "Adorable You". Dainty pink camellias plead, "I'm longing for you". The white gardenia, in quiet grace, breathes, "You're lovely". Violets tied in an old-fashion nosegay promise, as you would suspect, to be "Always true". The colorful gladiola pleads "Give me a break -- I'm really sincere".

The golden daffodil carries its ancient message: "The sun is always shining when I'm with

Announce New Ford Mustang Due In April

Lee A. Iacocca, Ford division general manager of Ford Motor Co. told a group of Chicago area weekly newspaper editors last Thursday, including two newsmen from the Graphic Newspapers Inc., that his company will introduce a complete new line of sporty cars in April.

He spoke to the newsmen following a day's tour of the Ford Plant in Dearborn, Mich. Feb. 7 a portion of the Fairlane assembly line will be shut down to retool for the Mustang.

The new car is expected to retail for less than \$3,000 and local dealers are expected to receive their first shipment of the new cars soon after the New York World's Fair opens, where it is rumored the new model will be introduced.

ORLAND PARK, ILL.

Has Two More Product Training Meetings
To Conduct. Next Meeting Will Be
Monday, Feb. 24 At 7:30 P.M.

Featuring modern time and money saving
haying methods and equipment.

Movies And Slides Will Be Shown.
Prizes And Refreshments.

Men, women and anyone interested
in farming are welcome.
Be sure to come.

Last Meeting Will Be
March 30 At 7:30 P.M.,
Featuring Grain Harvesting.

Electric heat installations are up —

More than 7,000 families
in Chicagoland now
enjoy electric heat

Electric heat cost is down —

Rates have been reduced
50% since 1958

Electric heat rates are now
50% lower than in 1958!

For this and many other
reasons, the only really
modern heat makes new
converts every day.

The rapid decrease in electric heat
rates is wonderful news, of course —
but the rapid increase of praise and

enthusiasm for electric heat should
be the most impressive fact of all to
anyone who plans to build, buy, or
modernize a home during the next
few years.

The simple truth is that no other
system at any price comes close to
giving you all the benefits of electric
heat.

The best way for you to be convinced
about the value of electric
heat is to talk to some of the more
than 7,000 Chicagoland families who
now enjoy it. They know they get
their money's worth from electric
heat, just as you will.

Clean, Comfortable, Convenient

Let these 7,000 families tell you
how much their cleaning and decorating
bills have been reduced because
electric heat is clean, flameless,
with no burning to create dirt,
dust, or fumes.

They'll tell you there's nothing
like the convenience of the room-by-
room control you get only with electric
heat. Mom in the kitchen, Dad
in his shower, Baby playing on the
floor—each of them can have a
custom-made temperature. Comfort?
You never had anything like it—and

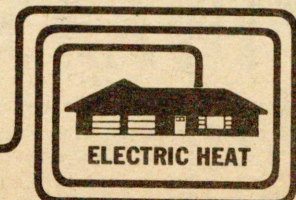

obviously, such controls can help you
save heating money, too.

There are no drafts, no chilly
spots, no "dried-out" air to steal
moisture from your skin, no noise,
no sudden blasts of blowing air.
There's just silent, radiant, invisible,
even, clean, healthful COMFORT
— with electric heat.

Before you build, buy, or modernize,
be sure you have complete, reliable
information about electric heat.
Call your nearest Public Service
Company office.

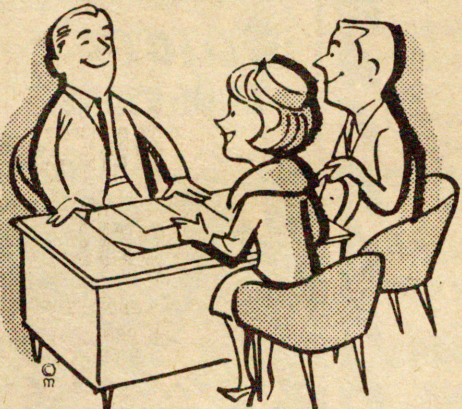

Get the facts. You'll bless the day
you did.

Get your money's worth with

... it's flameless

sociation held their February election meeting at the school on Tuesday evening, Feb. 4. There was a quorum of members present for the meeting enabling the elections to proceed.

The business meeting preceded the holding of elections. The membership was informed that the questionnaire committee, which had been formed some months earlier, had completed their project. A questionnaire has been drawn up by the committee to ascertain the interest of the community in the continuance of the Civic Association. Both favorable and unfavorable comments are being asked for, in other words, please give your honest opinions on the questions asked.

The questionnaires are being distributed by a committee of ten volunteers: Frank Riesbeck, Lois and Joseph Mangan, Francis Cronos, Rex Biddle, Faye Erkmann, Dick Heim, Joseph Arcuri, Marie Hovi, and Jim Mulcico.

When the volunteer comes to the door, he will ask that the questionnaire be filled out, with your name being required, and on his return he will collect it.

The results of the questionnaires will be tabulated, and be discussed at the first meeting of the new officers and board of directors on Feb. 18.

If your home is inadvertently missed in the door-to-door canvass of the area, contact any of the above members of the volunteers or Dan Markowski for your copy of the questionnaire.

An auditing committee was also set up as per the by-laws of the association. The committee consisted of three members in good standing along with the treasurer for the preceding year. The three members chosen were: Frank Riesbeck, Rex Biddle and Carlin French, Marie Hovi was treasurer for the preceding year.

The officers were also informed that the surplus candy and gifts from the children's Christmas party were donated to the Joseph P. Kennedy School for Retarded Children at 125th and Wolf Road. Keith Miller was kind enough to deliver the parcels to the school in the name of the Civic Association and Al Cutler.

Following the business at hand, Dick Heim, chairman of the nominating committee, took over the running of the elections. He reported that the nominations committee had received the names of five members who had stated to him that they would be willing to run for office. This left a balance of six open offices on the slate to be named from the floor.

In the following discussion, a motion was made to table the elections until March. This motion was retracted when Dick Heim indicated a willingness to run for president on the contingent basis pending the outcome of the questionnaire. On this basis the remainder of the offices were filled with one revision in the slate. That revision was the combining of the offices of secretary and treasurer into one office, with the possibility of an assistant-secretary to be appointed at a later date if the necessity arises.

With the slate now filled a unanimous voice vote was cast for the slate as presented. The officers so elected were: president, Dick Heim; vice president, Carlin French; secretary - treasurer, Diane Biddle. The board of directors are: Frank Riesbeck, Rex Biddle, Jim Mulcico, Joseph Mangan, Joseph Arcuri, Phyllis Prather, and Marie Hovi.

The meeting was then adjourned followed by a short meeting of the two sets of officers to aid in the smooth transference of the offices.

This is the final reminder for any girls between the ages of ten and twenty-one who would be interested in the organizing of a 4-H Club in Arbury Hills. Saturday, Feb. 15, is the deadline for application for the group. If you are interested contact Mrs. Barry Diercouff at 479-5068.

At the beginning there will be cooking and sewing taught to the girls, and meetings will be held in Mrs. Diercouff's home at 9304 West Magnolia.

The Teens club committee canvassed the area on the week end of Jan. 31 to sell residential stickers, the proceeds of which were to be divided with 75 cents going to the Teens club and 25 cents going to the Civic Association.

If you need additional stickers, or were not contacted on this canvass and want a sticker, please contact Terri Homer at 479-5075 or Mr. Harold Fitch, the director, at 479-5646.

The Prelude to Spring Fashion Show, sponsored by the St. Mary Altar and Rosary Society took place at the Prestwick Country club on Wednesday evening, Feb. 5. Three of the "home grown" models were ladies from Arbury Hills; Mrs. Mary Roach, Mrs. Marion Sprinkle, and Mrs. Carol Burdett.

There were also several prizes given out with two of them going to residents of Arbury Hills, Mrs. Mary Ann Tekotte and Mrs. Dorothy Griffin. Kathy Burdett, daughter of Mr. and Mrs. Robert Burdett,

Orland Park Book Review To Feature Woman's Club Meeting

MRS. SHERMAN KNOX
FI 9-0211
Mrs. Joseph Kovacs of Brainard will give a book review - "The Living Reed" by Pearl Buck, about the history of Korea, when the Orland Park Woman's club meets Wednesday, Feb. 19 at 1:30 p.m., at the Community Center Foundation. Mrs. Kovacs is a member of Ridge Book of the Hour Club, Mrs. Chester Williams is chairman of department, drama and literature.

Following the program, refreshments will be served by hostesses - Mesdames R. J. Campbell, Earl Fuller and Forrest Miller. Visitors are most welcome.

The Ladies Auxiliary to the firemen will hold their regular meeting, Monday, Feb. 17 at 8 p.m. in the Fire Hall.

After the business session, Mrs. Frank Franc and Mrs. Dorsey Towner will serve refreshments.

The Methodist Church Activities:

The Southern District Older Youth will hold a Valentine party at Ivanhoe church, 145th and Clark Sts., Saturday, Feb. 15 at 8 p.m. Future plans for the group include a trip to Old Town, March 14 and a Retreat at Wesley Woods, April 17-19. Anyone interested in any of these events, please contact Karen Anderson, FI 9-2836.

Breakfast given by the Methodist Men's club, Sunday, Feb. 16 at 8:15 a.m. in the church dining hall. All men are welcome.

The WSCS will hold their regular monthly meeting, Tuesday, Feb. 18 at 7 p.m. with a "Jitney" supper. Each lady is asked to prepare a favorite dish to bring, and several copies of the recipe. Everyone gets a chance to try all the dishes for 5 cents a serving, and the recipes will also be for sale. Rev. Leon Leatherman will present the program with slides.

Future dates - April 23-24 - Spring rummage sale - April 30 - Mother-daughter banquet.

celebrated her fifth birthday with a large family gathering on Sunday, Feb. 2, followed by a small children's party on Monday, Feb. 3.

Music Club for piano students of Mrs. Eugene Paschall met at the Robert Polson home, 7801 Oak Ridge Drive, Palos Park, Jan. 29 at 4 p.m. The following presented piano solos: Deborah Whiteford, Deborah Kanost, Marne and Suzi Buckley, Claudia Kelsey, Mark Woodstrup, Mona Wright, Karin Polson and Peter Grenier.

Guest soloist was Ron Kotik, Palos Heights, who formerly studied piano with Angela Bell of Chicago and is now a student of Dr. Dellinger, head of the music department at Joliet Junior College. Mr. Kotik played Polichinelle by Rachmaninov, and Malaguena by Lecuona.

The life and music of Franz Schubert were discussed. Suzi Buckley won the key signature recognition contest.

Refreshments were served by the hostesses. Guests were - Mrs. Clarence Kelsey, Mrs. James Whiteford, Mrs. James Grenier, Ann, Joyce and Steven Paschall.

Christ Lutheran Church will hold mid-week Lenten services every Wednesday at 7:30 p.m. The regular Sunday services at 10 a.m., Bible classes for teenagers and older, and Sunday school for children at 9 a.m. St. Michael's Church hold Lenten Services every Wednesday evening at 7 p.m. The Rosary Sermon, Every Friday evening at 8 p.m. services - "Way of the Cross".

The Church of the Nazarene have services regularly on Wednesday evenings at 7:30 p.m.

The church will be lighted and opened all day Friday, Feb. 14, observing World Day of Prayer, for those who wish to stop and say a prayer.

Fire calls the past week:

Wednesday afternoon, a grass fire at 143rd St. and 94th Ave.

Friday about noon time corn cobs burning between two buildings at 151st and 88th ave.

Sunday afternoon - inhalator call for Robert Yates at 14944 Hale Drive. He was treated by Dr. S.S. Leavitt.

Mr. and Mrs. Thomas Cooper, Mrs. Harold Morlock, Mrs. Ray Doctor, all of Orland Park and Mr. and Mrs. Charles Cooper of Manhattan have returned from a 2 weeks tour to Boca Raton, Fla., known as the Bible Town.

On this tour, Mrs. Thomas Cooper, Mrs. R. Doctor and Mrs. Morlock flew to Jamaica.

- o -

Mrs. Thomas Cooper, Mrs. Harold Morlock, Mrs. Ray Doctor and Mrs. Melvin Doogan, attended the Moody Bible Institute Founders Week Conference, last Friday. Mrs. Morlock and Mrs. Cooper were interviewed on WMBI radio station while at the conference.

- o -

The Palos Park Presbyterian Community church will present a series of Wednesday evening programs during Lent beginning on Feb. 19 at 8:00 p.m. The programs are being planned by The Rev. Henry G. Skoog, assistant minister, and will follow the theme "The Church Beyond Palos". The first program will feature the Rev. Charles Morey from the Christian Industrial League who will tell how the church ministers to the men of Skid Row. On Feb. 26, Jack McCracken, a layman will tell "What A Seminary Is Really Like".

- o -

Marley

Missionary Society Will

View 2 Films Wednesday

VIRGINIA SASS
485-6424

The Marley Missionary society will meet at the Marley church on Wednesday, Feb. 19 at 1:30 o'clock. Two films will be shown -- one on White Cross and one on Love Gift. Mrs. Russell Lauffer will be in charge of the service and the Love Gift offering. Mrs. James Tilsy will conduct the worship service. The hostesses will be Mrs. Harwood Stellwagen, Mrs. George Yapp, Mrs. Everett Bell and Mrs. Ian Brown.

- o -

Mrs. John Haslar and Mrs. Loren Sass represented the Marley Woman's Club at the Board meeting of the Will County Club League at Davidson's Cafeteria in Joliet on Tuesday afternoon. The League will sponsor a Bus Trip to the Flower Show at McCormick Place in Chicago on March 10. The bus will leave from Joliet at nine o'clock. Reservations are to be made as soon as possible with the League president, Mrs. Donald Webster -- phone: 423-5340. The Bi-annual meeting of the League will be held on May 26th at the Ritchie Methodist Church, Ritchie, Ill.

- o -

Mervin Moore of San Jose, Calif., was a week end guest in the home of Mrs. Clayton Cleveland. Mr. Moore was called here by the death of his mother, Mrs. Elsie Bann. She passed

away in her home in Joliet on Feb. 6, following a lingering illness. The funeral was held on Feb. 8 from the Sonntag, Burgess and Wylie Chapel in Joliet.

- o -

Mr. and Mrs. Earl Cutler and son Doug of Dundee were guests on Sunday in the home of Mr. and Mrs. Charles Slevert.

- o -

A talent show sponsored by the BYF of the Marley Church, will be held in the upper room of the church on Friday night, Feb. 28. This variety show will feature all local talent. Tickets are available from members of the BYF.

- o -

Mr. and Mrs. Thomas Huttenhoff and family of New Lenox were supper guests on Thursday in the home of Mrs. Clayton Cleveland. Guests on Saturday evening of Mrs. Cleveland were Mr. and Mrs. Elmer Tollerud of Crete.

- o -

Frank Liszt, Sr. returned to his home on Saturday from the Silver Cross hospital where he had been confined for several weeks for treatment of a fractured hip.

- o -

Mrs. Charles Dale has returned to the home of her daughter, Mr. and Mrs. Carl Wegner in Spencer, following surgery in St. Elizabeth's hospital in Danville.

- o -

Marley Baptist Community Church: Rev. Ian Brown, pastor. Phone: 485-8587. Sunday School 9:15 a.m. Morning Worship 10:30 a.m. During Lent services will be held each Wednesday evening at 8 o'clock, starting on Ash Wednesday. The pastor will bring messages on the devotional literature of the church. Favorite hymns will be sung and laymen will participate in the services.

Side Yard Garden Plan Feature Of Flower Show

A plan to utilize waste space and spruce up normally neglected side yard areas is being developed by the Chicago Horticultural Society for their major exhibit in the Chicago World Flower and Garden Show, McCormick Place, March 7-15.

Side yards at the average home are often ignored because of excessive shade or narrowness which permits little improvements. In this feature garden, the Horticultural Society offers many practical suggestions for making the side yard a pleasant part of the garden.

The relaxing area in this garden will be provided by a wooden deck with overhead trellis and an open ornamental screen. The walk-thru areas are of concrete and there is a liberal area of planters for either potted flowers or annuals. Screened from the deck, but attractively situated, is a small work bench for potting plants with a display shelf for exhibiting choice varieties.

Plantings in this garden include blue and spreading junipers, Japanese dogwood, Sargent's crab, weeping birch, dwarf holly, flowering plum, azaleas, firethorn and yews. Potted plants will be displayed prominently. These are the types which may be used outdoors in pleasant weather and

Boondockers
Hold Quarterly
Court Of Honor

The quarterly court of honor of the Potawatomi Boondockers will be held at 8 p.m. Friday, Feb. 21, in the Friendship room of the Savings and Loan building in Tinley Park.

The Boondockers is an organization composed of all area Boy Scout troops.

The troops participating in the ceremony include 336, 353, 355, 365, and 372.

All parents and friends are invited to attend.

**Insurance Bail Cards
Good In Cook County**

Chief Justice John S. Boyle of Circuit court announced Thursday that suburban Cook county motorists arrested by any police, including state police, may now post drivers licenses or bond certificates instead of bail and pay cafeteria court fines on most offenses including speeding up to 15 miles an hour above limits.

The branch courts in Oak Lawn, Oak Park, Chicago Heights, and Mt. Prospect will handle the cafeteria court pay-

ments.

The state police reached agreement on joining the uniform procedure in a conference Wednesday with Judge Boyle.

To join the bond certificate

plan, four of the nine insurance companies approved have had to put up \$100,000 while another \$75,000 claim is being audited involving forfeitures on previous bond cards. They are Central Motor Freight association, LaSalle Casualty Co., Prudence Mutual Casualty Co., and Transportation Motorists association.

The other five approved are: All - State Insurance co.; All-State Motor club; Allied Continental Automobile association; Chicago Motor club, and Continental Casualty co.

**Jazz Labs Win Praise At
5th Stage Band Festival**

The widely known Jazz Labs of the Beverly-Palos Music club were invited to the fifth annual Chicagoland Stage Band Festival held at Oak Lawn high school recently. Approximately 40 high school stage bands were entered in competition and another fifteen entered the "comments only" class.

The Beverly-Palos Music club is composed of music students from several grade schools and high schools in the southwest Chicago and suburban areas. There were four "jazz labs" entered in the "comments only" division because these students were not from one school and thus did not meet the requirements for competition. The spontaneous applause of the audience during and after their numbers was immensely rewarding to these talented

young instrumentalists. The judges were generous with their comments and congratulations. The music organization is under the supervision of Niel Dunlap, music director and instructor at Morgan Park Academy. Mr. Dunlap has as his assistants, Dick Doherty and Gerald Engelberg.

The Jazz Labs have appeared at many high schools in the Chicago area interpreting progressive jazz to their contemporaries.

Students playing in Band #3 from this area are Albert Loebe, lead sax, Orland Park; John Mortenson, sax, and Bud Paulus, piano, both from Palos Park. In Band #2, Adrian Kotik, baritone sax, and Robert Negro, trumpet, are from Palos Heights. In the lead band, Ron Kotik, piano, Bill Gill, trombone, both from Palos Heights, Ian Lilly, lead trombone, and Rob Nebe, trumpet, both from Palos Park.

**Turned Down By
Zoning Board,
Goes To Court**

(CNS) - Thwarted by the Oak Lawn Zoning Board of Appeals, a trust of the National Bank of Chicago filed a suit in Circuit Court Monday asking for rezoning of 52 lots on the south side of W. 87th St. and the E. side of W. 49th Ct. in Oak Lawn.

The village turned down a request for a zoning change on July 26, 1963.

The suit claims that the owners would suffer a great loss of income if the property is to continue to have A-Residence zoning.

Under A-Residence zoning, the construction of multiple-dwelling housing is forbidden.

The suit asks the court to issue an injunction restraining the village from interfering with "The planned construction."

NO DILLER DALLYING—Kandy Henely tells comedienne Phyllis Diller that her "One Billion Diller" bill is not going to buy her anything at the new Farmer's Daughter Restaurant on La-Grange Rd. in Orland Park. Miss Henely invited Phyllis to visit the new restaurant after it opens March 3, and not to Diller dally.

**Phyllis Diller, Shriver
On Yearly Y Program**

Peace Corps Director R. Sargent Shriver, Jr., comedienne Phyllis Diller and a review of 1963 activities in YMCAs around Chicago is the bill of fare for 20 Palos-Orland YMCA lay leaders and their guests at the upcoming annual meeting of the YMCA of Metropolitan Chicago.

According to Paul K. Zeman, chairman of the Palos-Orland YMCA board of directors, Shriver will speak to a gathering of over 2,000 YMCA people. The yearly meeting will be held Tuesday evening, Feb. 18, in the Conrad Hilton International ballroom. Zeman said that Shriver is expected to link foreign and domestic Peace Corps programs to YMCA work in 82 countries and in disadvantaged areas of Chicago's inner-city.

"Shriver is known thruout the world as a person dedicated to brotherhood and human understanding," Zeman said. He added that this will be the first time

since joining the Peace Corps two years ago that Shriver will have given a major speech in Chicago.

Miss Diller attended music school in Chicago before marrying in 1939. Zeman pointed out that the well-known entertainer worked as a cashier at the Lawson YMCA. While in Chicago she often performed with the Chicago Symphony choral group on WGN.

"This year's YMCA annual meeting will also spotlight a slide presentation of 'Y' programs across the city," Zeman said. He noted that television personality Lee Phillips and Breakfast Clubber Don McNeill will serve as narrators.

"The slide program will give an overview of the tremendous variety of events in the 38 YMCA of Metropolitan Chicago departments," the chairman said.

He cited youth activities ranging from pre-school swimming, grade school basketball and gymnastics to projects reeducating, counseling and finding jobs for high school dropouts.

The YMCA annual meeting is designed to thank board members and friends of the 38 departments of the "Y" for their continued devoted service. Hosting the evening will be members of the metropolitan YMCA governing body, the board of managers.

HOMER NEWS

BY ELIZABETH ANDERSON

The King's Daughters were pleasantly entertained in the home of Mrs. Don Aspel on Thursday. Due to difficulties with the water system at the parsonage and church, the meeting place was changed suddenly.

A special part of the delicious refreshments was a birthday cake in honor of six year old Debbie Burcham's golden birthday.

Guests of the Circle were Mrs. James Bethell of Joliet and her house-guest, Miss Donna Smith and several children. Following the devotionals and a business session, Mrs. Bethell gave the bible study from the book of Romans.

The next meeting will be in the home of Mrs. John White, unless March comes in too much like a lion.

The George Burchams entertained at a birthday dinner Thursday evening in honor of their daughter, Debbie. Besides the immediate family, the guest list included Mrs. William Mergler, Mr. and Mrs. James Bethell and sons and Miss Donna Smith of Ft. Wayne, Ark.

The Don Aspels spent the

weekend with relatives at Wyand.

Mrs. Ira Anderson attended a board meeting of the Hannah Harwood Girls Club in Joliet, Tuesday morning.

Several Homer people attended the 50th anniversary meeting of Will Co. Farm Bureau's organization at Lincoln-Way high school Saturday. The guest speaker was William J. Kuhfuss, president of the Ill. Agricultural Ass'n. Fifty year members were given recognition and past presidents received awards.

The school club of 33-C will meet Thursday, Feb. 20 at 8 p.m. at the school.

Mrs. and Mrs. Roger Myers and baby daughter flew to California last week, for a two week visit with friends.

Mr. and Mrs. George Kolar of Ladysmith, Wis. are guests in the Frank Kolar home. They are enroute to Alabama and Florida to visit with relatives.

Joliet Regional**Cage Tourney To Begin March 2**

The Joliet regional basketball tournament will be held at Joliet township high school gym March 2, 3, 4, 5 and 6.

Lockport Township will meet Providence March 2 at 7 p.m. and Joliet Catholic will meet Lincoln-Way at 8:30 the same Monday night.

Tuesday, March 3 Homewood - Flossmoor will play Lockport West at 7 and Joliet Township will meet Tinley Park at 8:30.

Monday night's winners play March 4 at 7:30 and Tuesday night's winners play March 5 at 7:30.

The semi-final winners will meet March 6 for the title game of the Regional at 7:30. Winner of the Joliet Regional plays in the Kankakee Sectional the weekend of March 12-13.

Dry clothes all year long with Gas
for the cost of drying only three
months with other automatics

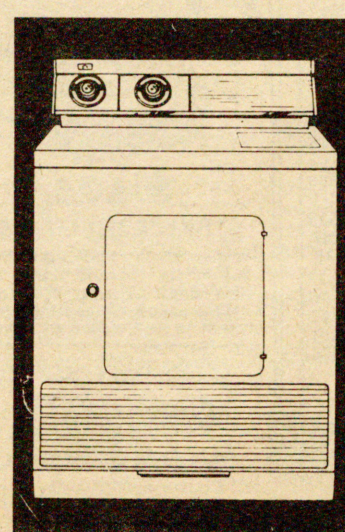

Any way you look at it, Gas dries best for less

The average family saves nearly \$20 a year by having a gas dryer instead of any other automatic. In 10 years (the average life of a clothes dryer) you've saved enough to pay for your gas dryer.

With gas, your clothes dry fast, come out soft and sweet-smelling. There's no dry baking action to set wrinkles. And you don't have to invest in costly heavy-duty wiring to operate your gas dryer.

So don't be fooled by "special" price offers on other automatic dryers. They can't begin to equal the long-term savings and satisfaction that come with owning a modern, dependable gas dryer.

See the new gas dryers now on display at your appliance dealer's or at your nearby Northern Illinois Gas Company showroom.
